wonderful book! Everyone should read this book. The author shows his compassion and love for others in short, right-on to the point, words of wisdom. We are all flawed and live our lives in reaction to what we perceive. We usually take things personally. This book helps the reader step back from his/her own ego, and see others as trying to make their way through life just as you are. It is a wonderful philosophy to help us navigate through the struggles we all face, at work, at home, in love, in rejection, in politics. Taking in the wisdom of this book could change the outcome of things like marital strife, love relations, feelings of inadequacy, jealousy, etc. We mostly face the same struggles and this book helps us develop compassion for others.
